

## Your Donations are Needed

# Help Us Support Our Front Line Workers!

The Quitman Lake Country Charitable Foundation is accepting tax deductible donations for a campaign to support our hard-working hospital, first responder, and grocery employees during these difficult times. Donations will be used to buy gift cards to local businesses for these front line workers.

**Please donate today:** online at <https://quitmanfoundation.info>; mail checks to Quitman Foundation, PO Box 1453, Quitman, TX 75783; or call us at 903-394-8941 to arrange to drop off a donation. Please include “Benevolence Fund” in the note or memo section of your donation.

Covid 19 Front Line Worker Grants are intended to benefit persons who work in the geographic area covered by the Quitman Independent School District in occupations providing necessary community services with high risk exposure to the Covid 19 virus and who have been negatively impacted financially by the Covid 19 epidemic. Examples of workers intended to be covered include but are not necessarily limited to workers in food chain businesses, law enforcement, medical workers, and emergency responders. Negative financial impacts might include but are not necessarily limited to the loss of household income because of pay reductions for the Applicant or members of Applicant's household or increases in household expenses as a result of the epidemic.
