**Item 1 – Discuss, consider, and act on Ordinance 061413(01)**

**An ordinance suspending certain sections of the City of Quitman, Texas – Code of Ordinances for a specific event to allow open permitting of garage sales and itinerant vendors during a specific event (Highway 37 Yard Sale)**

Evans introduced the ordinance and read the caption noting the passage would suspend the requirement for garage sale and vendor permits related to the event for the days of the event. He noted that this was similar to previous years, but that this ordinance would now include future occurrences of the event unless the Council later revoked the allowance. There was general discussion about the vendor permit portion with the explanation that door-to-door sales would still require permitting as they would be outside the scope of the event and that vendors setting up on any property must have written permission of the property owner.

***Crow made a motion to pass the ordinance, Cole seconded the motion. The motion passed unanimously.***
